I am in need of a placard exemption for my charter van. This exempts me from having to display the code on the outside of my van.

Ms. Walasek,

There is no specific form that you need to fill out. State in writing what your request is, including the name of the company, certificate no. (if you know it), and current address and e-mail address and submit it to the PSC and ORS. You can email the request to contact@psc.sc.gov.

Send an email to the Public Service Commission asking for the placard exemption. Also I will give Dina your cell number.

George! Happy Monday?

During my inspection earlier this month, you had mentioned an exemption of the numbers/letters I need to place on my Sprinter. I have combed through the site, and I cannot locate the form. I am hoping you can point me in the right direction!

Also, I paid for the decal prematurely, and twice! but I am not having luck getting to the correct person to get this refunded.

Thank you for any help you can give me!
